

CPFAA Golf Rules for 4 Person Events

This will be a 4 person scramble (it is a unisex event).

For Breckenridge course we will play the Blue (Tournament) Tees.

Each player will hit a drive; the team will play from the best drive or the drive they choose. Players will play from within one club length of the ball that is chosen. The position or lay of the ball will not be improved, i.e.: from rough to fairway, or out of a hazard.

Play will continue to the green, each player will play from the best position. Once on the green, you will putt from the preferred position. All players will putt from within 6 inches of the chosen position until the ball is holed.

The team will then post a team score.

There is no drive rule.

USGA rules will be followed unless the course has an established course rule (players will be notified at the on course registration if there are any course rules.)

All ties will be determined by a card playoff, beginning with the number 1 handicap hole.

Three places will be awarded: Gold, Silver, and Bronze.
